Please have Tom Henderson review these during IST. He can say that, "This is what I am teaching the recruits, I want to make sure all of you understand also".

Subject: Memphis Shelby County Crime Commission Law Review

As you will recall, part of the Memphis Shelby County Crime Commission (MSCCC) Operation Safe Community III plan is an measurement of officer's knowledge of law. In 2017 MSCCC proposed a survey to accomplish this. We declined to allow that survey to be given to officers.

We have met with MSCCC multiple times on the survey. Major S. Cunningham and I met with MSCCC. We believe we have reached an agreement on the knowledge of law survey. Tom Henderson has created a survey. He would like to give it to the recruits in Class 125 before they start the law training module and measure their knowledge. He will give the same survey at the conclusion of the module.

Attached is the survey.

We recommend approving the survey for recruits.
